MARKHAM WAXERS U18AA

Driven by the motto “ALL IN TO WIN!”, the Markham Waxers U18AA Team is a team-centric group of young talented athletes that are ready to take on the 2025-26 season and the goal of 2026 OHF Champions!

It's the formula of a true love of the game paired with hard work, dedication, teamwork, and the support of our community that affords us such goals. That said, we ask that you consider supporting us with a team sponsorship. Please review the following sponsorship package opportunities and do not hesitate to reach out if you have any questions.

Thank you for your support!
